

THE CULTURE OF THE ELDERLY

Culture e Fede Vol. XX 2012 N.2

Vol. XX 2012 N.2

Being elderly is one distinguished aspect of our nature, of being part of the human family; it is a part and parcel of life, more so where demographic trends are heading in a certain direction. Shaping the way we approach aging, both as individuals and as a society is the subject of the reflections of experts contributing to this special edition of our review.
