

DICASTERY FOR CULTURE AND EDUCATION

Culture Section

ARTIFICIAL INTELLIGENCE

Vol. XXIX 2021 N.3

Volume No. 3 XXIX 2021 of the journal is dedicated to Artificial Intelligence, looking at questions of consciousness and human nature, philosophical, legal and ethical challenges, and how we can live AI better as a society.

There are also the usual columns from the Courtyard, the Youth and Women's Groups, the Departments, and the regular activities of the dicastery.

See the Index of contributions in their original languages.
