Catalogues, management and innovation will be at the focus of reflections. Preliminary results of a questionnaire sent to religious congregations and societies of apostolic life already offer some significant insight into the current situation: only 25% have some sort of catalogue. ### **R.I.P. fra Fabio**

The Dicastery participated in the birth to the heavenly home of former undersecretary and later member Fabio Duque Jaramillo, o.f.m. Known to the staff in Rome during his time here (1994-2003) for his good humour and ever-present Christian word, he is sorely missed. One of the current undersecretaries was able to join the mourning and celebrating in Colombia and will be reflecting at length on Fabio's legacy in our journal.

### **Meeting of Catholic Cultural Centers**

UPAEP and the Dicastery are organizing the 17th Encounter of Cultural Centers, which this year has the theme “Vocation to love and the challenges of living in masculinity”, Feb. 22-24, 2022.
